Student Right-to-Know Act
Graduation Rate Report
Brewton-Parker Christian University
- August 2026 -

In accordance with the Student Right-to-Know and Campus Security Act of 1990, Brewton-Parker Christian University is pleased to share with you the following information on the graduation rates of our Fall 2019 cohort of full- time, first-time, degree or certificate-seeking undergraduates.

As reported in the IPEDS graduation rates survey (GRS), during the Fall 2019 semester, 184 first-time, full-time, bachelor's degree-seeking undergraduate students entered what was then known as Brewton-Parker College. Of these students, 20% had graduated from Brewton-Parker College within 150% of the normal time to complete their degree (as of August 31, 2025). For additional information, please contact: Mrs. Toni Banks, Vice President of Institutional Effectiveness, at tbanks@bpc.edu or 912-583-3118.

While reviewing this information, please keep the following in mind:

- All graduation rates are based on up to six years of attendance for bachelor's programs, which equates to 150% of the normal completion time.
- We have elected not to report transfer-out rates because our College's mission does not include providing substantial preparation for students to enroll in another eligible institution without completing or graduating.
- These charts do not identify the reasons why our students withdrew; therefore, students who withdrew for personal or medical reasons are included.
- Graduation rates do not include students who left school to serve in the U.S. Armed Forces, on official church missions, or with a foreign aid service of the federal government, or students who died or were totally and permanently disabled.

The following exhibit represents graduation rates for our general student body and students participating on varsity athletic teams.
